

Safer Recruitment Policy Whole school and EYFS

The Head undertakes a formal annual review of this policy for the purpose of monitoring and of the efficiency with which the related duties have been discharged, by no later than one year from the date shown below, or earlier if significant changes to the systems and arrangements take place, or if legislation, regulatory requirements or best practice guidelines so require.

SUMMARY

Parsons Green Prep School is committed to safeguarding and promoting the welfare of children. We therefore adopt recruitment and selection procedures and other human resources management processes that help to deter, reject, or identify people who might abuse children, or are otherwise unsuited to work with them. This policy sets out procedures and practices that are to be followed for the safe recruitment of all staff.

The definition of staff is any person working at the school, whether under a contract of employment, under a contract for services or otherwise than under a contract, eg teachers, peripatetic teachers and coaches, part-time staff, gap students, administrative staff, caretakers and other ancillary staff, staff appointed from overseas and pupils paid to work at the school. We follow the list of checks provided in the regulations for each new member of staff. This policy also outlines the checks and processes required for people working at the school as volunteers or from supply agencies.

Elements of safer practice

Safer practice in recruitment means thinking about and including issues to do with child protection and safeguarding and promoting the welfare of children at every stage of the procedure. It requires a consistent and thorough process of obtaining, collating, analysing and evaluating information from and about applicants. We will:

- ensure that the job description makes reference to safeguarding and promoting the welfare of children
- ensure that the person specification includes reference to suitability to work with children
- obtain comprehensive information from applicants
- obtain independent professional and character references that answer specific questions about suitability to work with children
- follow up one or more references with a telephone call to verify that referee is genuine and can substantiate the content of the reference letter
- ask the candidate to attend a face-to-face interview that explores the candidate's suitability to work with children as well as his or her suitability for the post
- verify the identity of the successful applicant
- verify that the successful applicant has any academic or vocational qualifications necessary. Qualifications for overseas candidates must be equivalent to UK trained teachers and can be checked using the UK National Academic Recognition Information

Centre (UK Naric). UK Naric has been contracted by the DfE to provide official guidance on the UK level of overseas qualifications

- check his/her previous employment history and experience and follow up on any gaps in employment
- obtain a voluntary enhanced Disclosure and Barring Service (DBS) check for all our staff before appointment or as soon as practicable after the person's appointment
- obtain assurance that appropriate child protection checks and procedures apply to any staff employed by another organisation working with our pupils on another site
- make our checks in advance of employment or as soon as practicable after appointment.

This checklist will be used at each stage of the process and records will be retained as a permanent record at the end of the process.

Advertisements

- Vacancies are advertised through the TES or on the school website.
- When the vacancy is advertised, the advertisement will include a statement about the school's commitment to safeguarding and promoting welfare of children.
- There will be a reference to the need for the successful applicant to undertake a DBS check.
- Details of the post, salary and qualifications required will be outlined and include information about working in holiday time and for weekend events as required.
- Applicants will be asked to contact the office for a job description, personal specification and application form which are to be returned by email and a signed copy in the post.

Application form

- An application form will be completed by applicants.
- The form will ask for previous education and employment history, relevant training, skills offered, suitability for the post, other interests and details of any criminal records.

Candidates will be asked for:

- Personal details (full name, address, contact telephone numbers, date of birth).
- DfE number (where applicable).
- The name of their degree qualification, the awarding institution and the date awarded.
- The name of their teaching qualification, the awarding institution and the date awarded.
- Details of two referees (including their last employer).
- A current enhanced disclosure (where applicable) until such time as an enhanced DBS check has been undertaken
- A DBS update service ID number if applicable.
- A personal declaration of medical fitness to carry out the duties described in the job description.
- In the case of overseas applicants we would also ask about their visa status, if applicable, and confirmation that they held a police check from their home country.
- We carefully check the employment history of candidates to see if there are any breaks in service that cannot immediately be explained and seek advice if concerned. Also, for any period of living abroad for three months or more within the last two years, an overseas criminal records check is required.

Job description

The job description should clearly state the main duties and responsibilities of the post and include the individual's responsibility for promoting and safeguarding the welfare of

children.

Candidate's information pack

The pack will include:

1. the application form
2. the job description and person specification
3. relevant information about the school.

Shortlisting

- All applications will be scrutinised to ensure that they are fully and properly completed and that employment is consistent and does not contain any discrepancies.
- Incomplete applications will not be accepted.
- As part of the shortlisting process, we conduct an online search prior to interview as part of our due diligence on the shortlisted candidates. Candidates will be notified in writing, in the interview invite, that the school will be actioning an online search prior to interview.

REFERENCES

- As far as practicable employment references should be received and deemed satisfactory prior to offering an interview at which an employment decision will be made.
- Two written references are required, the first of which must be from the current employer, or most recent employer if the person is not currently working.
- If there is no current employer, verification of the most recent period of employment and reasons for leaving should be obtained. (This recognises that, in effect, not all employers will provide a substantive reference.)
- References should be from a senior person with 'appropriate authority'.
- Information provided directly by the candidate should be verified.
- The purpose of receiving references is to obtain objective and factual information to support appointment decisions.
- References will always be sought and obtained directly from the referee and we will not rely on references provided by the applicant or open references.
- The reference request will ask for a range of specific comments related to the post, including whether the candidate has ever been the subject of a disciplinary or capability process, whether he/she meets in full the criteria for the post, and whether there is any known reason why the person should not be employed to work with children. If a reference is taken over the telephone, detailed notes will be taken, dated and signed.
- All referees will be contacted to verify the reference and to obtain more information if required. Notes of these conversations will be kept on the candidate's file. These will be signed and dated.
- References received electronically will have their source authenticated by a phone call.
- If a candidate refuses to allow us to take up a relevant reference, whilst being sympathetic, we would explain that we could not continue the registration process unless we could take the reference.
- For supply teachers and tutors found through agencies, we require written notification from the agency that they have completed the necessary reference checks. We do not ask for copies of these documents.
- For supply teachers and tutors that we have recruited all the processes for school employed staff apply.
- For parent employed staff we will carry out references should they be deemed

appropriate.

Ex-offenders

Parsons Green Prep is committed to the fair treatment of the staff we employ, regardless of race, gender, religion or belief, sexual orientation, responsibilities for dependants/maternity status, age, physical/mental disability, marriage or civil partnership, gender reassignment or offending background. We actively promote equality of opportunity for all with the right mix of talent, skills and potential and welcome applications from a wide range of candidates. We select all candidates for interview based on their skills, qualifications and experience. As an organisation using the Disclosure and Barring Service to assess applicants' suitability for positions of trust, Parsons Green Prep complies fully with the DBS Code of Practice and undertakes to treat all applicants for positions fairly. It undertakes not to discriminate unfairly against any subject of a disclosure on the basis of conviction or other information revealed. However, it is unlikely we will choose to employ a member of staff who has previous convictions of a serious nature.

- We require all staff offered employment to provide details of their criminal record. We request that this information is sent under separate, confidential cover to the Head and we guarantee that this information will only be seen by those who need to as part of the recruitment process.
- Parsons Green Prep will be required to ask questions about your entire criminal record due to the nature of work with children.
- We actively promote equality of opportunity for all with the right mix of talent, skills and potential and welcome applications from a wide range of candidates. We select all candidates for interview based on their skills, qualifications and experience.
- Disclosure is required for all staff.
- We confirm that all those in Parsons Green Prep who are involved in the recruitment process have been suitably trained to identify and assess the relevance and circumstance of offences. We also ensure that they have received appropriate guidance in the relevant legislation relating to the employment of ex-offenders, e.g. the Rehabilitation of Offenders Act 1974.
- At interview, or in a separate discussion, we ensure that an open and measured discussion takes place on the subject of any offences or any other matter that might be relevant to the position. Failure to reveal information that is directly relevant to the position sought could lead to withdrawal of an offer of employment.
- We make every subject of a DBS check aware of the existence of the DBS Code of Practice and make a copy available on request.
- We undertake to discuss any matter revealed in a DBS check with a person seeking the position before withdrawing a conditional offer of employment.
- Having a criminal record will not necessarily bar you from working with us. This will depend on the nature of the position and the circumstances and background of your offences.

The interview process

- The interview will assess the merits of each candidate against the job requirements and explore their suitability to work with children.
- A member of the interview panel will have completed Safer Recruitment training.
- A guided tour of the school will be provided.

Invitation to interview - teaching assistants and teachers

- Candidates are asked to bring documents confirming any educational and professional

qualifications that are necessary or relevant to the post, i.e. the original certificate, or diploma or a letter of confirmation.

- Candidates are interviewed by the Head with a set of interview questions appropriate to the job.
- Candidates will be required to teach a lesson for 45 minutes.
- Candidates may be required to attend a second interview and to teach another 45-minute lesson.
- Candidates are asked if there are any conditions they may need to make us aware of for their attendance of the interview, e.g. access requirements.

Invitation to interview - Head

- Candidates are asked to bring documents confirming any educational and professional qualifications that are necessary or relevant to the post, i.e. the original certificate, or diploma or a letter of confirmation.
- Candidates are interviewed by a panel with a set of interview questions appropriate to the job.
- The panel will always include the proprietor and a member of the senior leadership team who has completed Safer Recruitment training.
- Candidates are invited back for a second interview to teach a class for 45 minutes and a whole school assembly under scrutiny of the panel.
- To meet again with the panel.

Conditional offer of employment

An offer of appointment to the successful candidate is to be conditional upon: receipt of at least two satisfactory references, verification of the candidate's identity and right to work in the UK, a satisfactory DBS check, verification of the candidate's medical fitness, verification of qualifications and the satisfactory completion of a probationary period.

Disclosure and Barring Service (DBS)

Parsons Green Prep requires all staff working regularly with opportunity for contact with children to have to apply for a DBS check. Disclosures show spent and unspent convictions and cautions. The police may also provide details of acquittals or other non-conviction information held on local police records which are relevant to the job or role being sought. DBS guidelines advise that a criminal record can start as early as the age of 10 years. Until the school has had sight of the original disclosure certificate the applicant will be treated as unchecked.

Barred list/List 99 check

This check will be used in the event that an enhanced disclosure is not received in advance of a member of staff starting work, or where a certificate is delayed and the staff member has a DBS from a previous employer with no more than a three-month gap between employments. We obtain this through the Teachers' Pensions online service (TP online). TP online deals with checks for all staff, not just teachers.

The flowchart of Disclosure and Barring Service criminal record checks and barred list checks (Department for Education, 2016) is used to decide which check is applicable and when. (Appendix 1)

Prohibition order

This check will be carried out on all teachers and staff members who are in regular contact with

children via the TRA (Teaching Regulation Agency). It is possible to access details of teachers who have sanctions against them in relation to teaching in England. The TRA Services includes teachers who:

- have failed to successfully complete their induction or probation period
- may be the subject of a suspension or conditional order imposed by the General Teaching Council for England (prior to abolition) that is still current
- have been prohibited from teaching
- have sanctions from EEA member states
- have been prohibited from management within a school (Section 128)

Processes for all employed staff:

- All staff employed in regular work with the opportunity for contact with children will be required to complete criminal records check with the DBS and prohibition and barring checks prior to employment.
- New staff who have an existing enhanced DBS check with another body will be able to commence working at the school providing they are registered with the DBS online update service. A separate barred list check will also be undertaken.
- If a DBS certificate is delayed and the member of staff has an original certificate from their most recent employer, providing their last day of employment was not more than three months the school will carry out a barred list check and a risk assessment. The risk assessment will be reviewed regularly and will describe the supervision measures taken.
- Records of satisfactory DBS checks will be held centrally.
- When a conviction or caution is revealed in a DBS check the Head will speak to the Head of Governance in confidence. Rigorous checks of references will be implemented and a confidential note relating to this discussion will be sent to the Head for inclusion on the centrally held register. The Head will also attach to the file a brief written rationale for action and decisions taken.
- All staff will be asked to renew a DBS check every 5 years or agree to an online update service.

Processes for supply staff

Parsons Green Prep will only use supply agencies that carry out DBS checks and confirm that checks are satisfactory. Prior to working at Parsons Green Prep, all supply staff employed through agencies must have either an enhanced DBS check or relevant foreign police check undertaken by their agency as a condition of employment at Parsons Green Prep. Where the DBS check identifies any issues that are pertinent to schools, the agency will inform the school before the worker is deployed. The school expects to see the original DBS check and photographic ID. If the supply staff person is self-employed and recruited by the school an enhanced DBS check will be carried out by the school or an online update completed.

Processes for tutors

Tutors are employed by parents and they teach their pupils in school time in designated areas. We encourage the use of established agencies to help parents to find a tutor for their child. If they are found through an agency we ask the agency to confirm that a satisfactory DBS check has been received before they commence working with the pupil. They complete a vetting form which provides us with the DBS check number and date. The tutor is asked to bring the original DBS check to us so that we can check it against the vetting form. If the tutor is not found through an agency we ask the tutor to provide a satisfactory enhanced DBS check or to approve a satisfactory DBS online update before they can work with the pupil on the school premises. The Head will carry out a safer recruitment interview with the tutor and will include a check over the tutor's employment history.

All people who are privately employed by parents and come into the school to offer one-to-one support or individual lessons more than 3 times in a 30-day period will go through the same checks as a member of teaching staff.

Processes for volunteers and helpers

All regular volunteers and helpers at the school will complete an enhanced DBS check prior to taking up their role and this also applies to other individuals who have regular contact with the school. The enhanced DBS check will be required for any unpaid person working with the children more than 3 times in any given month.

Processes for students and trainee teachers

Students and trainee teachers on work placements are not volunteers. The school will ensure that they have an enhanced DBS check prior to their placement if they are over 16 years old.

Processes for outside contractors

The Head must be satisfied that all regular contractors (eg cleaning staff employed by an outside contractor) have carried out enhanced DBS checks on their staff. Only those suppliers that conform with this requirement for enhanced DBS checks on their staff will be contracted for work at Parsons Green Prep during the hours when children are present.

Processes for guest speakers

Where a guest speaker or visitor is invited into the school checks will be made to ensure that the visitor is suitable to address the children on the chosen topic. This will be done by use of the Visiting Speaker Policy, internet search and a check with any affiliated organisations.

The process for obtaining a DBS check for the Parsons Green Prep proprietor

Our proprietor will obtain the following and send completed to the DfE:

- An application form from the DBS Bureau.
- Documents to verify their identity.

Directors and advisory body

All directors and governors/advisors will be required to undergo the following:

- Identity checks
- DBS check
- Section 128 check
- Overseas checks
- Interview with the Head of Governance and the Head

Delayed DBS checks

If an enhanced DBS check is delayed the Head may allow a member of staff to commence work with a risk assessment if the following conditions are in place:

- The appointment is not confirmed.
- The DBS application has been made.
- Supervision of the individual is in place.
- A review of the safeguards is undertaken every 2 weeks.
- The individual is informed about the safeguards.
- A check against the barred list/List 99 is made.
- A note is placed on the Single Central Register to record the measures in place.

Previous employer disclosure

The Head may accept a satisfactory enhanced DBS check from a previous employer providing that the following are in place:

- All other checks are completed.
- A check against the barred/List 99 is made.
- There is not a gap in employment of 3 months or more.
- There is written consent from the subject.
- Details must be recorded of who obtained the disclosure, the level, date and unique reference number.

People not requiring an enhanced DBS check

Examples of people who do not need to apply for a disclosure include:

- Visiting specialist teachers have a short one-off lesson with children with a teacher present. Supervision for people in this category will be arranged at all times.
- Visitors who have business with the Head or other staff or who have only brief contact with children with a teacher present. Supervision for people in this category will be arranged at all times.
- Visitors who come on site only to carry out repairs or service equipment. If children are on site supervision of these visitors will be arranged at all times.
- Building and other contractors. Children are not allowed in areas where builders are working for health and safety reasons so workers should have no contact with children. If contractors are on site whilst children are in the school they will be supervised at all times. However, if there is ongoing work to be completed the school will ensure that arrangements are in place with contractors to make sure that any contractors who come into contact with children undergo appropriate checks.
- People who are on site before or after school hours when children are not present, e.g. local groups who hire premises for community or leisure activities.
- Students aged 16 or under.

(Note: if children are participating in the activity during the hire period, whether pupils of the school or not, a DBS check will be required).

Verification of qualifications

Parsons Green Prep class teachers are graduates, to degree level, and hold a recognised teacher qualification. This applies to both UK and overseas candidates. In order to verify qualifications candidates are asked to provide original certificates and, in the case of UK-trained teachers, their DfE number. We check Qualified Teacher Status (QTS) using the Employer Online Service. Qualifications for overseas candidates must be equivalent to UK-trained teachers and can be checked using UK National Academic Recognition Information Centre (UK Naric). UK Naric has been contracted by the DfE to provide official guidance on the UK level of overseas qualifications.

IDENTITY AND CONFIRMATION OF ADDRESS

Identity checks are made against a birth certificate and a passport or a driving licence. Photographic identity will be required. In addition to this, we confirm their home address by requesting a form of official documentation (from different sources), e.g. a utility bill or bank statement dated within the last 3 months.

MEDICAL ASSESSMENT

Parsons Green Prep requires a Medical Assessment which enquires about any previous or existing

medical conditions of the candidate. If the response to any question is 'yes', further specific details are requested. Candidates are also asked to sign a Medical Declaration giving permission for us to approach their own GP, where necessary, to establish their medical fitness for any post.

OVERSEAS CHECKS

If a candidate has lived abroad for a period of 3 months prior to the appointment the school will check evidence from the person's country of origin and countries where they have lived before an appointment is made. We will use the Home Office guides to see what checks are available from different countries. A UK national returning after working in a foreign country will be asked to obtain a certificate of good conduct/police clearance or equivalent from the country in question. If a police clearance/certificate of good conduct or equivalent is not available we will obtain more references and seek an Embassy Check.

RIGHT TO WORK IN THE UK

We will check that any person over the age of 15 that we employ is entitled to work in the UK. We will refer to the UK Border agency booklet Prevention of Illegal Working – Summary Guide for employers.

SUMMARY OF VETTING PROCEDURES

All of our candidates are carefully assessed and vetted in accordance with DfE regulations and employment legislation and our own quality control procedures. We take our security procedures very seriously and random audit checks are regularly carried out to ensure the continuing standards of our systems.

Parsons Green Prep checks the following:

(a solicitor or Justice of the Peace or person of equivalent standing must countersign any photocopies if originals are not supplied)

- Original certificates are produced for copying. A letter from the DfE confirming qualifications will suffice in cases where the original certificates are missing.
- Previous employment history.
- References will be sought directly from the referee and, where necessary, he/she will be contacted to clarify any anomalies or discrepancies. Detailed written records will be kept of such exchanges. Where necessary, previous employers who have not been named as referees may be contacted in order to clarify any such anomalies or discrepancies. Detailed written records will be kept of such exchanges.
- If a candidate for a post working with children is not currently employed in a post working with children, a reference will be sought from the most recent employment in which the candidate has worked with children to confirm details of the candidate's employment and his/her reasons for leaving.
- Identity Check x 2.
- Online search
- UK visa or right to work check.
- Disclosure and Barring Services Enhanced Check.
- List/List 99 check.
- Prohibited Check.
- Prohibition from management (section 128 directions).

Staff will also be issued with Annex B of KCSIE dependent on role within the school.
- Overseas Qualified Teachers must supply the same information as above, plus proof of registration as a teacher in their own country, and clear national police checks for each country in which they have resided. If a National Police Check is not available extra references will be sought and an Embassy Check. Where an Embassy Check is not available and all opportunities have been exhausted to contact relevant departments to obtain a criminal record check, a statement from an official person who has known the candidate during their employment in the country will be accepted providing it is satisfactory to the Head.

REFERENCES

Reference requests will ask the referee to confirm, in writing:

- The referee's relationship to the candidate
- Details of the candidate's current post and salary
- The candidate's performance history and conduct
- Whether the candidate has been subject to capability procedures and the outcome of this
- Whether the candidate has been subject to disciplinary action relating to the safety and welfare of children, including where the sanction has expired, and the outcome of this
- Details of any substantiated allegations or concerns about the candidate relating to the safety and welfare of children
- Whether the referee has any reservations as to the candidate's suitability to work with children and young people (if so, the school will ask for specific details of the concerns and the reasons why the referee believes the candidate may be unsuitable to work with children)
- The candidate's suitability for the post with explicit reference to the job description and person specification. The reference request will also ask the following question of the referee following guidance from the Prevent Duty Guidance 'Are you completely satisfied that the applicant is not involved in 'extremism' being vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs? Extremism also includes calls for the death of members of our armed forces, whether in this country or overseas.'

All appointments are subject to satisfactory references, vetting procedures and DBS clearance.

References are the 'property' of the selection panel and strict confidentiality will be observed. Employer testimonials, i.e. those provided by the candidate and/or marked 'to whom it may concern', will not be accepted. References must be in writing and be specific to the job for which the candidate has applied. The selection panel will not accept references from relatives or people writing solely in the capacity as a friend of the candidate, for any post. References will be verified and any discrepancies or areas of potential concern will be discussed with the candidate at interview. If the field of applicants is felt to be weak, the post may be re-advertised.

The designated safeguarding lead (DSL) will attend Safer Recruitment training. We encourage all members of staff to be on the update service so that periodic checks can be made.

APPENDIX 1
