

VOLUNTEER POLICY

Whole school and EYFS

The Head undertakes a formal annual review of this policy for the purpose of monitoring and of the efficiency with which the related duties have been discharged, by no later than one year from the date shown below, or earlier if significant changes to the systems and arrangements take place, or if legislation, regulatory requirements or best practice guidelines so require.

Introduction

Volunteers at Parsons Green Prep School bring with them a range of skills and experience that can enhance the learning opportunities of children at our school. We welcome and encourage volunteers from the local community. Our volunteers work closely with the school in support of our mission statement and aims.

Mission

Parsons Green Prep School's mission is to be recognised as a leading day prep school that offers both a challenging and rich curriculum and a broad range of opportunity experienced within the context of a happy childhood.

Statement of Aims and Core Values

PGP recognises that: *'How a child learns is as important as what a child learns'* and is therefore committed to offering all its pupils an excellent education, inspiring them to achieve their best within a rich, happy, safe and fulfilling school experience upon which will be built future success.

Our Aims and Values

- Promote high standards of academic achievement and give support and challenge to pupils appropriate to their abilities
- Ensure a breadth of educational opportunity, nurturing both enthusiasm and talent
- Prepare and give children the skills (academic, social, creative and technological) that will enable them to make a positive contribution to society and engage in life-long learning
- Promote values of kindness, respect, tolerance and diversity, developing a sense of service to the community as well as promoting a sense of social responsibility.
- Foster healthy physical and emotional well-being in an atmosphere that allows children to be children
- Enable the pupils to acquire and develop the skills according to their ability that they will need to be self-confident and successful
- A positive whole school community

Types of volunteers include:

- parents of pupils
- ex-pupils

- pupils on work experience
- university students
- ex-members of staff
- local residents
- friends of the school.

The types of activities that volunteers are engaged in include:

- hearing children read
- working with small groups of children
- working alongside individual children
- undertaking art and craft activities with children
- running after-school clubs
- working with children on the computers
- accompanying school visits
- working in the library

Becoming a volunteer

Anyone wishing to become a volunteer, either for a one-off event such as a school visit or on a more regular basis, e.g. hearing children read, must approach the Head directly.

Volunteers should complete the Volunteer Information Sheet (Appendix 1) with their contact details, type of activities they would like to help with, and the times they are available to help.

Parent volunteers should read the Guidance for Parent Volunteers for School Trips (Appendix 2).

Risk Assessment

Once arrangements have been agreed regarding the type and frequency of volunteer activities a risk assessment (Appendix 4) will be carried out by the school to establish which safer recruitment checks are necessary. A record of this risk assessment will be kept on file and the volunteer will be asked to sign an acceptance sheet (Appendix 2).

All regular volunteers will be required to have:

- an enhanced disclosure if they are carrying out unsupervised activities
- an informal interview
- a note that no concerns have been raised by others in the school community.

One-off volunteers who are supervised by a member of staff will not require these vetting checks. Students on work experience have a separate policy and agreement to complete.

Confidentiality

Volunteers must sign to say they have read and understood the school Data Protection Policy, the school Safeguarding Policy and the Volunteer Policy. Volunteers are requested to maintain confidentiality at all times relating to information disclosed to them relating to staff, children and parents whilst they are volunteering. Any concerns that volunteers have about the children they

work with and come into contact with should be voiced with the Class Teacher or Head and NOT with the parents of the child/persons outside school.

Comments regarding children's behaviour or learning can be highly sensitive, and if taken out of context, can cause distress to the parents of a child if they hear about such issues through a third party rather than directly from the school. Volunteers who are concerned about anything another adult in the school does or says should raise the matter with the Head.

Supervision

Volunteers work under the direction of the class teacher of the class to which they are assigned. Teachers retain responsibility for children at all times, including the children's behaviour and the activity they are undertaking. Volunteers should have clear guidance from the Teacher as to how an activity is carried out/what the expected outcome of an activity is. Volunteers are encouraged to seek further advice/guidance from the Teacher in the event of any query/problem regarding children's understanding of a task or behaviour.

Health and safety

The school has a Health and Safety Policy and Fire and Evacuation Policy which are compulsory for any volunteers working in the school to adhere to. Class teachers ensure that volunteers are clear about all emergency procedures (e.g. fire alarm evacuation). Equally volunteers are provided with any risk assessments about any safety aspects associated with a particular task (e.g. using DT equipment/accompanying children on visits). Volunteers need to exercise due care and attention and report any obvious hazards or concerns to the class teacher or Head. Volunteers must not deal with any first aid, accident or medication situations.

Safeguarding children

The welfare of our children is paramount. To ensure the safety of our children, we adopt the following procedures:

- All Volunteers must sign to say that they have read and understood the Safeguarding Policy, Emergency procedure and Volunteer Policies and relevant risk assessments.
- All volunteers receive part 1 of the latest Keeping Children Safe in Education (KCSIE) and must sign to say they have read and understood the document.
- To ensure the safety of our children at all times, any volunteers that are unsupervised must have been cleared by the Disclosure and Barring Service.
- We seek references for our volunteers, except parent volunteers.

Complaints procedure

Any complaints made about a volunteer will be referred to the Head for investigation. Any complaints made by a volunteer will be referred to the Head. Any complaint against a volunteer will adhere to the Complaints Policy for further investigation.

Appendix 2

Guidance for parent volunteers for school trips

Thank you very much for volunteering to help our children on this trip.

These notes have been written to offer some guidance to parent helpers and reflect the school policy on educational visits.

- Please sign in at the school office and receive a parent helper badge.
- If you have any questions about a school trip, please see the class teacher.
- Dress appropriately for the destination and wear comfortable shoes.
- Parents may not always have their own child in their group.
- The teacher will give parent helpers a list of children for whom they are responsible.
- Take frequent head counts, particularly when moving to a new location. All children are told that they must stay with their group and the group adult at all times.
- If the trip involves a coach journey, please help the children in your group fasten and fit their seatbelts. Children are not allowed to eat or drink on the coaches. The class teacher has vomit bags, if needed.
- The class teacher leads the rules, routines and expectations for the day.
- Volunteers must not be involved with any personal care with children including going to the toilet and changing clothes unless they have an enhanced DBS certificate.
- Please help the teacher by ensuring that your group follows all instructions, e.g. when to eat and drink.
- Keep the children as engaged as you can, participate in the activities, and support the teacher and/or guides' decisions.
- Do not buy sweets, ice-creams or souvenirs for some children as others could feel they have missed out.
- The class teacher is responsible for **all** first aid and medication.
- Parents must not administer any first aid.
- If you need to leave your group for any reason, please inform the class teacher.
- If there is a medical or other emergency, let the class teacher know immediately. The class teacher is responsible for contacting the school and the child's parents in emergency situations.
- If parents are concerned about the behaviour of any child, please do not react and inform a member of staff straight away.
- Volunteers are asked to keep the same degree of confidentiality as in school. If you have any queries or problems concerning the trip, please talk to the class teacher or the Head on return from the trip.
- Volunteers must not compromise the safety of the children by disclosing information about the school trip on social media sites or to anyone outside of the PGP community.
- Volunteers must not take pictures of pupils when they are on school trips for safety reasons.
