

On a School Tour with Parsons Green Prep

Parsons Green Prep ushered in 2025 with a trio of achievements: a significant strength (ISI, May 2025), our best-ever 11+ results, and an outstanding LA Early Years review. These accolades are a testament to the school's ethos, where kindness, wellbeing and academic rigour go hand in hand to create an environment where every pupil can flourish.

Q: What is the school most proud of?

At the heart of the school is a deep-rooted commitment to pupils' wellbeing, combined with high academic aspirations that drive an ambitious curriculum and exceptional achievement across the board. Pupils demonstrate a genuine love of learning and play an active role in shaping the school's culture—demonstrating the school's core value of respect and proactively participating in all aspects of school life.

Q: What are the school's achievements and how are they celebrated?

The school's Early Years provision is truly exceptional and, together with its dedicated and skilled teachers across the school, pupils aim high and nurture their talents in all areas of learning. Progress is celebrated in every form—whether it's meeting the success criteria in a lesson, receiving a certificate in the weekly awards assembly, being recognised at prizegiving, or earning the honour of an 'Over the Rainbow' award. From a personal best in sport, music or art, to participation in an academic competition, both in school and nationally, every achievement is valued and shared with joy.

Q: How does the school contribute to children's futures after they complete their time there?

A well-established and carefully designed senior school transition process is seamlessly integrated with the school's curriculum that goes beyond national expectations and is inclusive of KS3 content. A senior schools fair, 11+ guidance booklet for parents, and familiarisation with senior school entrance criteria and assessments prepare pupils for the next stage of their educational journey.

The careers education programme features inspirational guest speakers, guidance on how to stay safe, and topics of interest from both British and global perspectives. The school's economic education curriculum also develops pupils' financial acumen. These experiences broaden pupils' aspirations and prepare them for life beyond Parsons Green Prep and the classroom.

Q: Where do your graduates typically go after leaving your school?

As a stand-alone prep school, we offer comprehensive, tailored 11+ preparation for every pupil. Each child is fully supported through the wide range of entrance tests and interviews required by academically selective schools, as well as those with

specialisms in sport and the arts. Our pupils go on to leading senior schools in London and beyond, including St Paul's, Godolphin & Latymer, King's College School Wimbledon, Wimbledon High, Putney High, Emanuel, Harrodian, Epsom College, Ibstock Place, Francis Holland, ACS, and Lady Margaret, among others.

Q: What is your relationship with the parent body, and how involved are you with them?

At Parsons Green Prep, we believe that working in close partnership with parents is essential to ensuring every child's wellbeing and success. Each Friday at drop-off, parents are warmly invited to visit their child's classroom and view their child's work. Our weekly news bulletin keeps families informed about recent events, sports fixtures, curriculum highlights, and key updates for the week ahead.

The parent portal provides easy access to important documents, while each year group has a Parent Representative who meets with the Head and offers support to parents. Key documentation is provided well in advance of a new term to support parents' planning. A termly newsletter, an open-door policy, scheduled parent meetings, and reporting ensure clear and consistent communication.

Join the staff and pupils at Parsons Green Prep for their Open Day on Saturday 20 September at 9.30am. Email PGP at: admissions@parsonsgreenprep.co.uk or call 020 7610 8085 to book your place.

There are also Drop-in Mornings each half term, as well as individual tours. Check out their social media: @ParsonsGreenPrep on Facebook, @pgpschoollondon on X, and @parsonsgreenprep on Instagram, or visit www.parsonsgreenprep.co.uk
