

EYFS e-Safety Agreement

This is how we stay safe when we use computers:

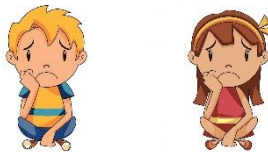

I take care of the computer, iPad and other equipment

I can self-regulate the amount of screen time on the computer and share them with my friends

I ask for help from an adult if I am not sure what to do or if I think I have done something wrong

I tell an adult if I see something that upsets me on the screen

If I do not follow the rules, I might not be allowed to use the computer or iPad
